Simon,

Further to our discussion today in relation to Condition B1, attached is the Landscape Plan to MOD 1, indicating the changes originally required by Condition B1. As discussed, if this can be endorsed to allow an interim B1 approval, a revised version in accordance with MOD 4 can be lodged upon approval of MOD 4.

With regard to your query about the adequacy of a single basement entry/exit point, please see attached response prepared by Traffix.

Regards,

Ian Cady
