

The topographic map shows two blocks, Block C and Block B, bounded by Porter Street to the west and Belmore Street to the east. A solid black line indicates the ground level, which slopes downward from left to right. Block C is outlined with a thick dashed black line and contains several brown-shaded areas representing proposed development. Block B is outlined with a thick dashed black line and contains a brown-shaded area representing proposed development. Green-shaded areas represent existing vegetation. Elevation points (RL) are marked with arrows pointing to specific locations on the map. The map also shows a boundary line to the north and a boundary line to the south.

Location	Elevation (RL)
Top left corner of Block C	46.80
Top left corner of Block C (lower section)	43.80
Top right corner of Block C	40.50
Top left corner of Block C (lower section)	37.30
Top right corner of Block C	34.00
Top left corner of Block C (lower section)	23.80
Top right corner of Block C	20.50
Top left corner of Block B	43.50
Top right corner of Block B	34.00
Top left corner of Block B (lower section)	20.50
Top right corner of Block B	20.50
