Dear Mr Winwood

Exhibition of Environmental Assessment for Coalpac Consolidation Project (10_0178)

Thank you for the opportunity to review the environmental assessment for the proposed Coalpac Consolidation Project.

The proposed project does not affect commercial agricultural lands, nor does the rehabilitation require reinstatement of lands for agricultural use. Hence no issues are raised.

For further advice please contact Ms Liz Rogers by telephone on 026391 3642 or by email liz.rogers@dpi.nsw.gov.au.

Yours sincerely

Regina Fogarty
