

Satellite 2005

Overlapping Constraints

-  Cumberland Plain Woodland
-  Shale Sandstone Transition Forest
-  Zone containing potential archaeological deposit
-  Significant scarred tree

Satellite 2008

Overlapping Constraints

-  Cumberland Plain Woodland
-  Shale Sandstone Transition Forest
-  Zone containing potential archaeological deposit
-  Significant scarred tree

Satellite

Overlapping Constrains

-  Cumberland Plain Woodland
-  Shale Sandstone Transition Forest

Satellite 2010

Overlapping Constraints

-  Cumberland Plain Woodland
-  Shale Sandstone Transition Forest
-  Zone containing potential archaeological deposit
-  Significant scarred tree

	DATE 14/10/2011	DRAWING 111014.03
---	--------------------	----------------------

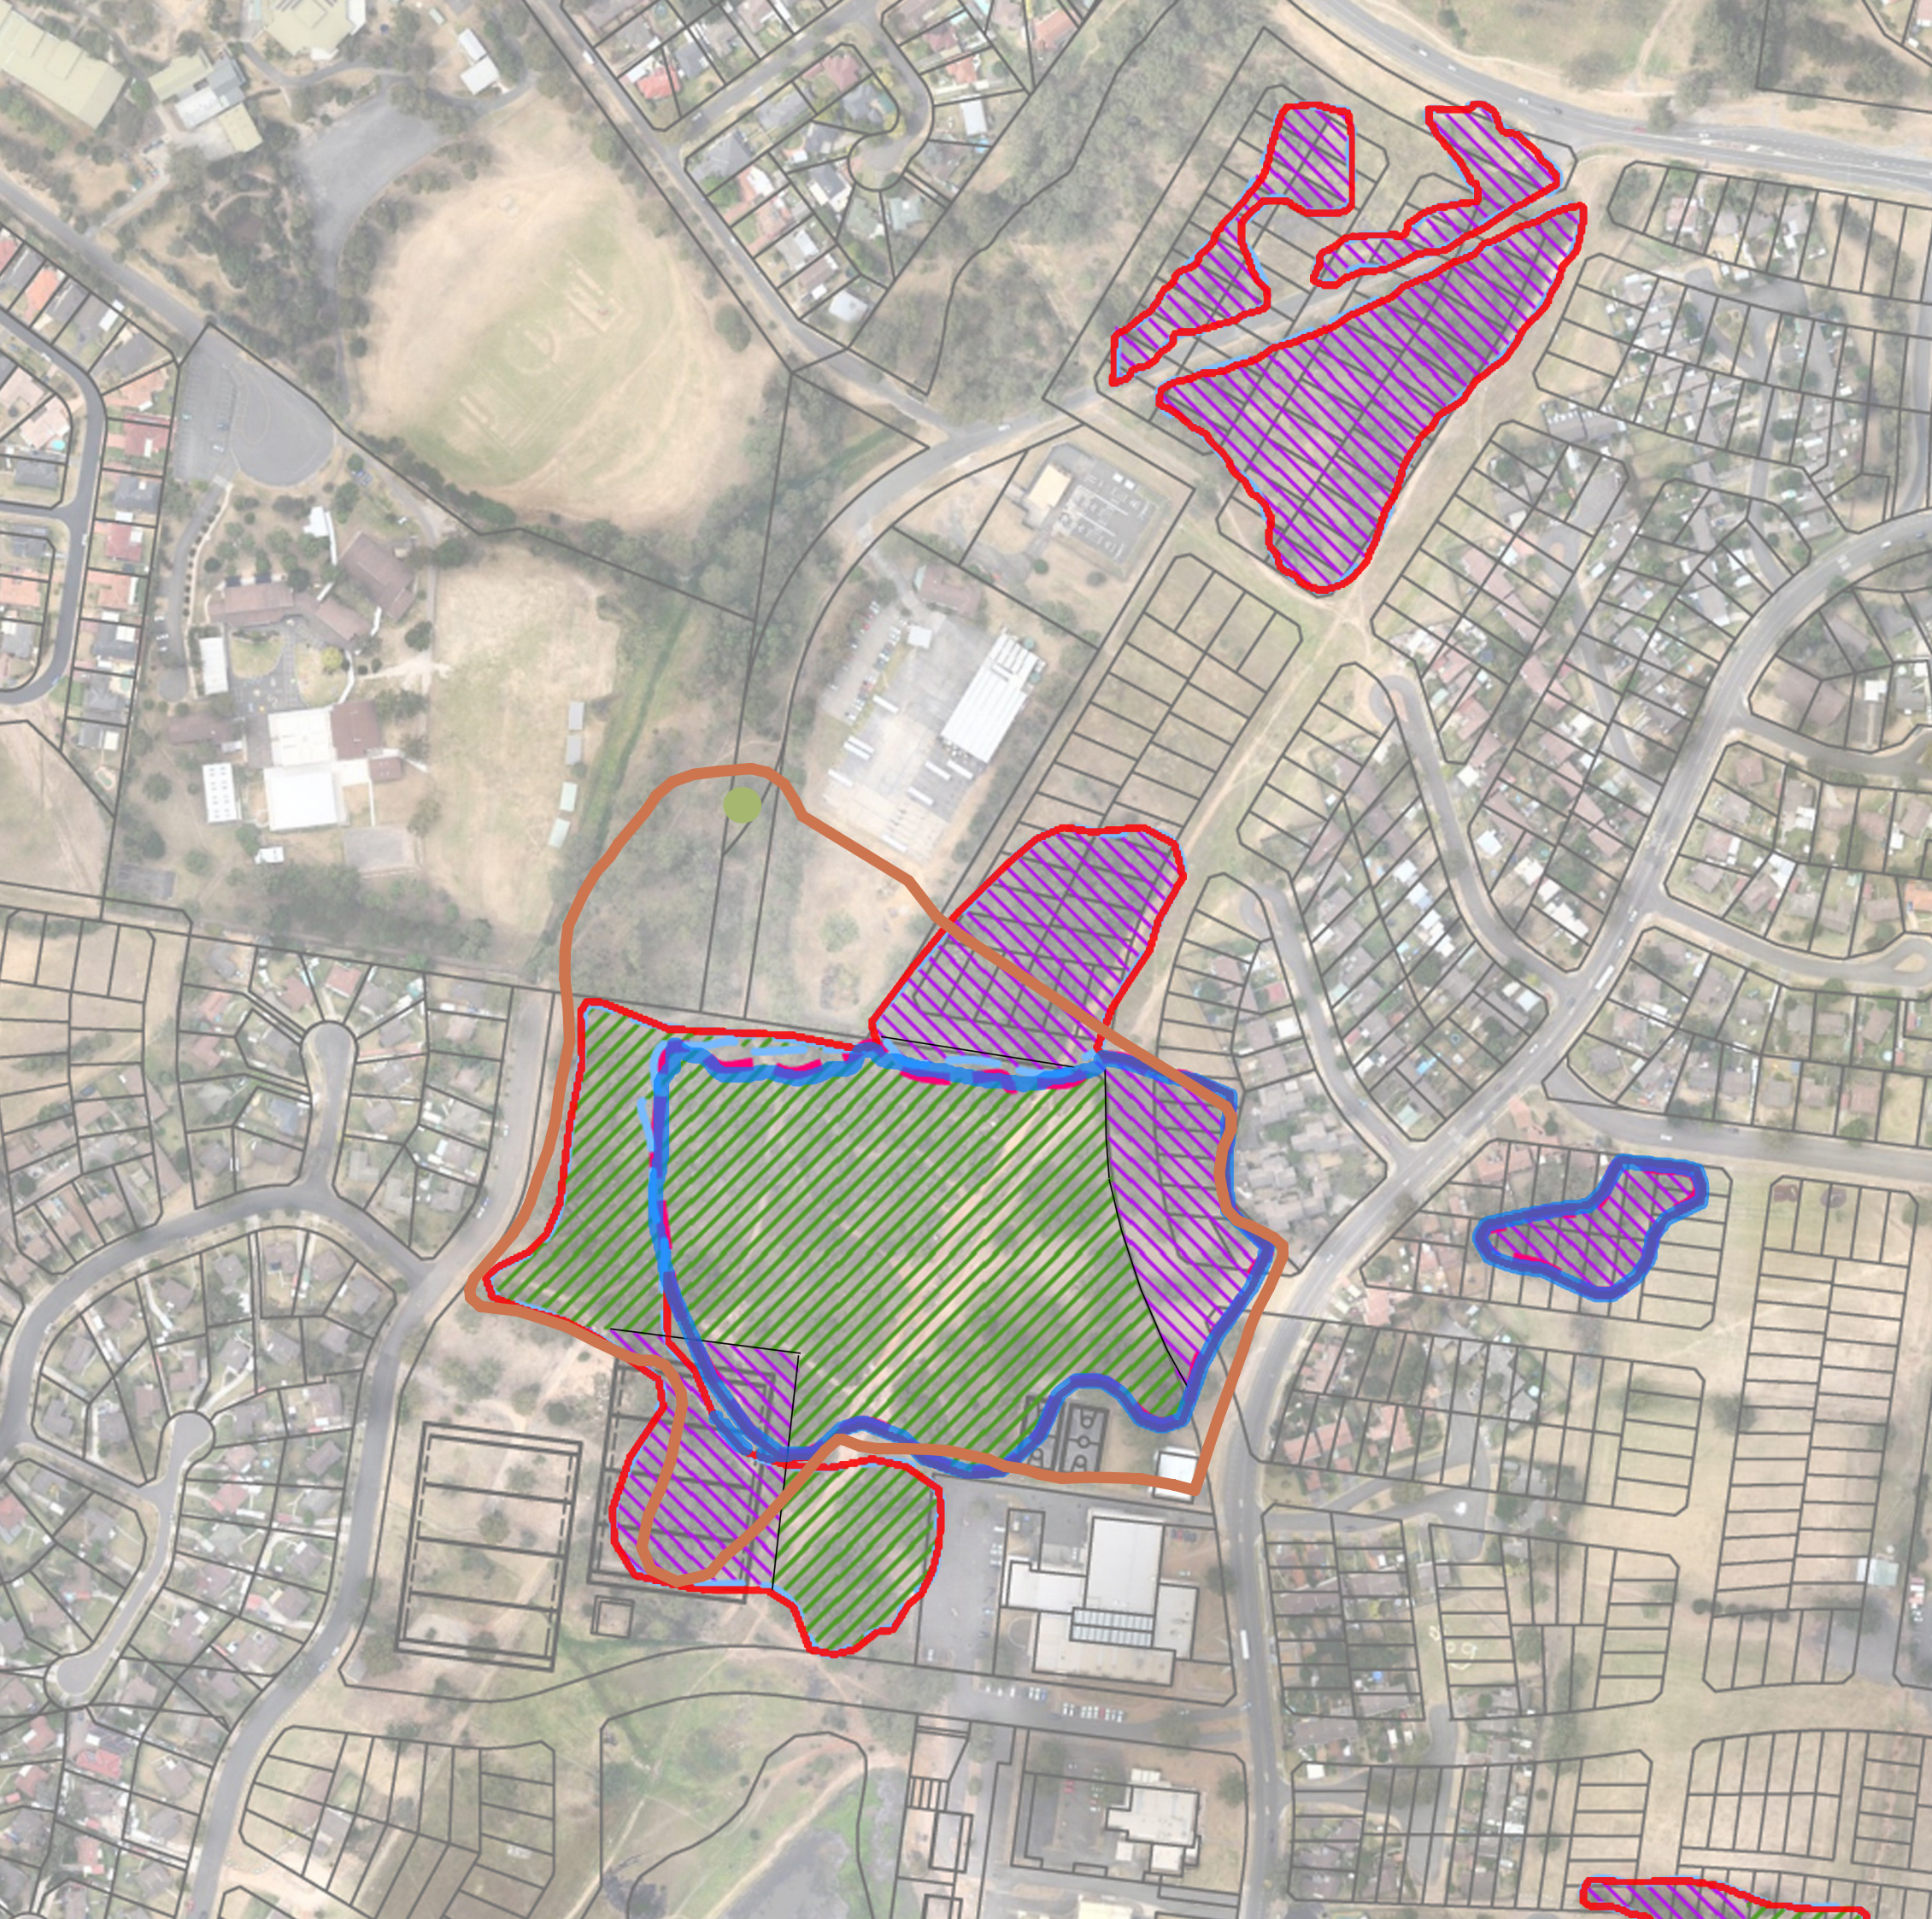

Design 2011

Overlapping Constraints

-  Cumberland Plain Woodland
-  Shale Sandstone Transition Forest
-  Zone containing potential archaeological deposit
-  Significant scarred tree

	DATE 14/10/2011	DRAWING 111014.04
---	--------------------	----------------------

Design 2011

Overlapping Constraints

-  Cumberland Plain Woodland
-  Shale Sandstone Transition Forest
-  Zone containing potential archaeological deposit
-  Significant scarred tree
-  For modification / removal
-  CPW and SSTF to be retained

Design 2011

Overlapping Constraints

-  Cumberland Plain Woodland
-  Shale Sandstone Transition Forest
-  Zone containing potential archaeological deposit
-  Significant scarred tree
