Dear Mr Freeman,

MACKAS SAND EXTRACTIONS OPERATIONS – PROPOSED MODIFICATION (MP08-0142 MOD 1)

I refer to your letter dated 13 January 2012 requesting comment from Roads and Maritime Services (RMS) regarding the proposed modification to the subject development.

RMS has reviewed the information provided and has no objections or requirements for the proposed modification as it is considered that the alternate haul route for access to the approved sand extraction area will have no additional impact on the classified road network.

Should you require any further advice, please contact me on 4924 0688.

Yours sincerely,

Dave Young
