Mixed Use development, The Block Redfern**

Dear Mr Schofield,

Thank you for your correspondence of 6 September 2012 requesting comment on the proponent's Response to Submissions and Preferred Project Report for the mixed use development at the above address.

The PPR has been reviewed and it has been noted that the proponent addressed all of our initial advice regarding Stormwater and Section 73 requirements. Further detailed requirements will be provided when the proponent applies for a Section 73 Certificate. Sydney Water has no further comments at this stage.

If you require any further information, please contact Corrine Manyweathers of the Urban Growth Branch on 02 8849 4014 or e-mail [corrine.manyweathers@sydneywater.com.au](mailto:corrine.manyweathers@sydneywater.com.au).
