Dear Sam

RE: Determination of a Concept Plan (MP 10_0144) and Project Application (MP 10_0108) for the Shoalhaven Starches Gas Pipeline Project

The Acting Deputy Director-General's letter of 23 October 2012 referred the above applications to the Planning Assessment Commission for determination consistent with the Minister's delegation dated 14 September 2011.

I chaired the Commission constituted to determine the applications, and Paul Forward was the second member.

The Commission considered the Director-General's Environmental Assessment Report and the accompanying documents, including the submissions received by the Department.

The Commission has approved both applications in accordance with the Department's recommendation.

The signed instruments of approval and file (10-7456 Part 2) are returned with this letter.

Should you have any enquiries about this matter, please contact me on 9383 2100.

Yours sincerely

Gabrielle Kibble, AO
