

2 PROPONENT AND CONSULTANT TEAM

NSW Health is made up of the Department of Health, the Health Administration Corporation, the Ambulance Service of NSW, and public health organisations. The Department of Health is responsible for ensuring that the people of NSW are provided with good health care. It monitors the performance of the NSW public health system and supports the statutory role of the NSW Minister for Health.

The Department has statewide responsibility for providing:

- Advice to government
- Strategic planning and statewide policy development
- Improvements to public health
- Performance management
- Strategic financial and asset management
- Community participation
- Employee relations
- Corporate support
- Managing licensing, regulatory and enforcement functions.

The Director-General of the Department, as the Health Administration Corporation, is responsible for acquiring and disposing of land and entering into contracts to support the functions of the Director-General and the NSW Minister for Health. The site is technically owned by the Northern Sydney and Central Coast Area Health Service, and the proponent of the Concept Plan is the Health Administration Corporation.

The various specialist consultants engaged in the preparation of this report, and the input for which they were responsible are:

- Burns Bridge Services - Project Management
- Cox Richardson - Urban Design and Master Planning
- Hassell Architects/Silver Thomas Hanley - Hospital Planning
- Godden Mackay Logan - Heritage
- UrbisJHD - Statutory planning
- Bassetts - (Building Services/ESD/Electrical/Acoustic Engineers)
- Masson Wilson Twiney - Roads and traffic
- Taylor Thomson Whitting - Civil & Structural Engineering
- Hard & Forester - Surveying

The Concept Plan has been master planned by Cox Richardson and compiled, along with various Environmental Assessments undertaken by the other consultants identified above, by UrbisJHD.
