

Proposed Concept Plan Envelope

Approved Concept Plan Envelope

This isometric diagram illustrates the building's footprint and volume. The 'Approved Concept Plan Envelope' is shown as a solid red outline, while the 'Proposed Concept Plan Envelope' is shown as a slightly larger red outline. The building is a multi-story structure with a complex, stepped roofline and multiple wings. The diagram is set against a light gray background with a white foreground.

Proposed Concept Plan Envelope

Approved Concept Plan Envelope

This 3D perspective view illustrates the building's design. The 'Proposed Concept Plan Envelope' is shown as a red wireframe, while the 'Approved Concept Plan Envelope' is shown as a grey solid model. The building features a central tower and two side wings, with a flat roof and a base that includes a parking area and a ramp.

Proposed Concept Plan Envelope

Approved Concept Plan Envelope

This 3D perspective view illustrates the building's design within its envelopes. The 'Proposed Concept Plan Envelope' is shown as a larger, more complex structure with multiple levels and setbacks. The 'Approved Concept Plan Envelope' is shown as a smaller, more compact structure. The building is depicted with a red wireframe outline, and the ground level is indicated by a light gray area.

General Notes

1. Do not scale drawings. Dimensions govern.
2. All dimensions are in meters unless noted otherwise.
3. All dimensions shall be verified on site before proceeding work.
4. Foster + Partners shall be notified in writing of any discrepancies.
