Hi Helen.

Hi Mark

As discussed, the exhibition of the PPRs for these two applications ended on the 1 March 2013. A letter was sent to your agency on 21 January seeking comments. To date, we are yet to receive a response from TfNSW (unfortunately I am unable to send a copy of the letter but will ask the planner to forward to you).

It is now imperative that we receive any final comments so we can complete our assessments. As you maybe aware, the department is looking to determine all Part 3A applications by 30 June to meet the government's targets.

I have attached a copy of your previous correspondence to the EA. Please advise of any further comments to the PPR asap.

Kind regards

Sarah
