Dear Jillian

Re: Pindimar Abalone Farm Project (MP-0006)

Great Lakes Council, as owners of the land comprising the unformed road reserves of Carruthers Street and Cambage Street Pindimar, have no objection in principle to the lodgement of the abovementioned major project application by the applicant.

This advice relates to permission to lodge only. Council's final decision on use of Carruthers Street and Cambage Street Pindimar will depend on assessment of the project documentation during the exhibition period.

Yours faithfully
