**Notification of Proposal Under DECCW  
*Aboriginal Cultural Heritage Consultation  
Requirements for Proponents 2010 - Proposed  
Mixed Use Subdivision at West Culburra***

South East Archaeology has been engaged by Realty Realizations to undertake an Aboriginal Heritage Impact Assessment for the Proposed Mixed Use Subdivision at West Culburra. The investigation area comprises Lot 61 DP 755971 and Lots 5 and 6 DP 1065111 and is located at West Culburra, off Culburra Road, in the Shoalhaven local government area. Realty Realizations, of Suite 1006, 99 Bathurst Street, Sydney, is proposing to undertake a range of works, including commercial/retail and multiple-dwelling and single-dwelling residential development. Professor John Toon is preparing a Concept Plan over the proposed development for submission to the Department of Planning under Part 3A of the *Environmental Planning and Assessment Act 1979*.

The purpose of community consultation with Aboriginal people is to assist the proponent in the potential preparation of any Aboriginal Heritage Impact Permit (AHIP) that may be required under the *National Parks and Wildlife Act 1974* and to assist the Director General of the Department of Environment, Climate Change and Water (DECCW) in their consideration and determination of any such application.

In compliance with the DECCW policy entitled *Aboriginal Cultural Heritage Consultation Requirements for Proponents 2010*, South East Archaeology extends an invitation to Aboriginal people who have an interest in the investigation area and hold knowledge relevant to determining the cultural significance of any Aboriginal objects or places within it to register an interest in the consultation process for this project.

Registrations must be forwarded in writing to South East Archaeology (fax 02-6260 4439 or post to 24 Bamford St, Hughes ACT 2605) by 24 January 2011. All registered stakeholders will then be contacted to discuss the project further in accordance with the DECCW policy. Any parties that register an interest are advised that their details will be forwarded to DECCW and the relevant LALC within 28 days of the closing date for registrations of interest, in accordance with the DECCW policy, unless they request in writing that their details are withheld.

Dear Pete

**Re: Request - Search for Registered Aboriginal Owners**

I refer to your letter dated 8 December 2010 regarding an Aboriginal Heritage Impact Assessment at West Culburra, NSW.

I have searched the Register of Aboriginal Owners and the project area described does not appear to have Registered Aboriginal Owners pursuant to Division 3 of the *Aboriginal Land Rights Act 1983* (NSW).

I trust that you are in contact with the Jerrinja Local Aboriginal Land Council for this project. They may also be able to assist you in identifying other Aboriginal stakeholders for this project.

Yours sincerely

## RE: West Culburra Development

Jerrinja Consultancy would like to apply for an expression of interest within your heritage consultancy service in relation to the above heritage assessment currently being advertised.

I feel our consultancy service is the culturally appropriate consultancy required for this tender. We wish to apply because of the location status tied within the traditional ownership boundary lines, as our business operating on the south coast for the past 30 years.

Our consultancy service has the culture and heritage knowledge with traditional ownership approval to carry out heritage studies related to the land.

This service has qualified staff who are of Aboriginal descent, locally living within the area requested for tender.

Hoping this expression of interest meets the selection criteria for the application requirements. Mr Graham Connolly has attended meetings with Mr Toon the developer and has a great deal of knowledge about this development. Mr Connolly has also worked with you.

Looking forward to hearing from you in the near future.  
Please contact Graham 0421457090
