Re: Support for the Coalpac Consolidation Project

18 April 2013.

Dear Carl,

I am in total agreement with the coalpack project.

As the proprietor of a small business in the area I have already felt the impact of the closure of 3 mines who have used my services. One can presume if the government is serious in regards to their recent endeavour to assist us small businesses they will give this matter their immediate attention.

**Re: Support for the Coalpac Consolidation Project**

Dear Carl,

I support the Coalpac project.

During these Job losses my brothers have no  
Jobs. It hasn't only effected them it  
has effected the whole family, as we  
have now got to support them  
while they look for new Jobs.  
Would be easier if you just gave  
them there Jobs back.
