Dear Ms Munk

November 27<sup>th</sup>, 2012

**06-0135 TOURIST AND RESIDENTIAL DEVELOPMENT  
COMBERTON GRANGE, SOUTH NOWRA**

The documentation provided for this project is contained in two folders of papers each about 10cm thick and we appreciate the extension of time for comment.

There has been no consultation with the community on this project, and at a meeting of the Huskisson and Woollamia Community Voice, it was decided to ask the Department of Planning to provide an information session for the community at the end of which they could ask questions to clarify any points in the papers they do not understand.

Is there a time between 4 and 18 December when officers of Planning could do this?

Yours sincerely,

Garry Kelson, Chairman of HWCV
