### **GAME DAY/SATELLITE PARKING MANAGEMENT PLAN CRONULLA SHARKS LEAGUES CLUB**

With the proposed new Woollooware Bay Town Centre development and subsequent enhancements to the Cronulla Sharks Leagues Club, we are keen to trial new shuttle bus routes on game day.

With that in mind, we are seeking to introduce two new routes to service the local area of the Sutherland Shire. The two routes are identified as

- Caringbah Circuit
- Sutherland Circuit

The Cronulla Sharks Leagues Club currently operate game day services. The new routes will be an addition to these existing routes however; the existing routes will be modified appropriately to suit the new routes.

The trial is to be conducted in Round 14 match between the Cronulla Sharks and Parramatta Eels on Saturday 15<sup>th</sup> of June with kick-off set at 7:30pm. Buses will start 2 hours before kick-off and 1.5 hours before kick-off i.e. 5:30pm and 6:00pm respectively. The buses will also be running 0.5 hours after full time and 1 hour after full time. Upon confirmation of bus routes, information will be available via the Cronulla Sharks website.

We are seeking input from the Club's valued members and other game day patrons to ascertain the preferred pick up/drop off locations and transport routes. Please provide responses to Question 1 below and Table 1 & Question 2 on the following page:

**Question 1:**

Street you live in and postcode. (Please note we do not require house or unit number)
