
Note: Information on these drawings is based on specific sampling points and may not represent the conditions that may be encountered across the site at other than these locations. These drawings must be read in conjunction with the associated report including the limitations statement.

Previous Investigations
Coffey (2012)
- Borehole
- Hand Auger
- Monitoring Well
- Rail Ballast
- Surface Sample
- Test Pit

Douglas Partners (2007/2008)
- Borehole
- Monitoring Well
- Test Pit

ERM (2002)
- Borehole
- Monitoring Well
- Test Pit

GHD-LongMac (2005)
- Test Pit

Current Investigations
Douglas Partners (2012)
- Test Pit

Acid Sulfate Investigation
- Acid Sulfate Investigation
