---

Hi Jane, a review of the Environmental Assessment for Sandon Point (MP06\_0094) and Project Approval for Residential Subdivision at Sandon Point, Bulli for Sandon Point Residential Development (MP07\_0032) indicates that no Crown Land is located within the proposed development.

Please let me know if you require correspondence with official letter head, otherwise this will serve as Crown Lands comments for the proposal.

Kind regards,

Grant Merinuk | Group Leader Property Management
