Dear Sir/Madam

**RE: EXHIBITION OF PREFERRED PROJECT REPORT (MP 11\_0001) - SYDNEY HERITAGE FLEET, ROZELLE BAY**

Council was recently made aware of the public exhibition by the Department of Planning and Infrastructure of the Preferred Project Report for the construction of a maritime facility, consisting of land and water based components, to accommodate the Sydney Heritage Fleet at a site on Bank Street, Pyrmont.

Council considered a motion on the matter at the Building and Development meeting held on 3 December 2013. Concerns have been raised previously regarding the possible relocation of Sydney Heritage Fleet facilities away from Rozelle Bay, by Council directly and through the Bays Precinct Taskforce.

Council resolved (BDC277/13) to re-affirm its previous concerns regarding this matter as follows:

- The membership of the Sydney Heritage Fleet should be consulted on any proposed changes to location and operation
- Any new location should not compromise the operations and integrity of the Sydney Heritage Fleet
- Any new location should be readily accessible to all members of the Sydney Heritage Fleet
- The merit of alternative sites for the Sydney Heritage Fleet's operations should be investigated, including the Hanson concrete batching plant in Blackwattle Bay

If you have any questions please contact Steve Roseland (Senior Strategic Planner) on 9367 9279 or email at [steve@lmc.nsw.gov.au](mailto:steve@lmc.nsw.gov.au).

Yours sincerely
