Dear Mr Keary

Exhibition of Statement Significant Development Application for a Mixed Use Building on Block 8 (SSD 6092) and Modification to the Approved Concept Plan (MP 06_0171 MOD 9) at Central Park, Chippendale (former Carlton United Brewery Site)

Thank you for your letter dated 3 February 2014, requesting Transport for NSW (TfNSW) provide comments on the above referenced proposal. Please note Roads and Maritime Services will submit a separate response.

Transport for NSW has reviewed the supporting documentation from GTA Consultants Pty Ltd supplied with the Environmental Impact Statement and finds the supporting documentation addresses the Director General's Environmental Assessment Requirements (DGRs) in a satisfactory manner.

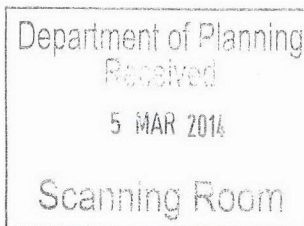

Transport for NSW has no objections to the proposed modification to the approved Concept Plan (MP06_0171 MOD).

Thank you for providing TfNSW the opportunity to review and comment on this proposed new development. Should you have any questions regarding this matter, please contact Robert Rutledge, Principal Transport Planner on 8202 2203 or at Robert.rutledge@transport.nsw.gov.au.

Yours sincerely
