Dear Mr Ritchie

I refer to your letter received on 30th January 2014 regarding the exhibition of the modification request for the redevelopment of the former Royal Rehabilitation Centre Sydney.

The Office of Environment and Heritage has reviewed the proposal and has no comments to make and no further interest in this development. Please note that the Heritage Branch of OEH may make a separate response on this modification.

If you have any questions please contact Rachel Lonie on 9995 6837.

Yours sincerely
