

Submission 2 – Phil Toth

Hi Kerry

My name is phillip toth and I have a 5 acre property at 209 clarke st pindimar .

I support the proposed abalone farm and hope it is passed because pindimar has stood still in time for the passed 18 years since I have owned the property .

Hopefully this project will go ahead and bring some infrastructure to the area as the council does nothing for pindimar except take money for rates on over inflated land price values on the council rates .

If you need to contact me my number is 0416093283

regards phil toth
