Confidentiality Requested: yes

Content:

1. Where will the 4 pipelines enter/exit Port Stephens bay.
2. What sort of noise will be generated from this "Major Project" .
3. Our rates are very high as it is considering the isolation of the area, will this "Major Project" raise our rates?
4. Will this "Major Project" rely on tank water like we do, or will town water come to Pindimar for all.
5. How will the general running of this "Major Project" affect our day to day lives, will there be increased traffic on Clarke St/Pindimar Road for instance.
6. Pindimar is a huge holiday area as well as home to many residents (including myself), how will this affect the price of our homes.
