Objecte to the E A . M P_ 0006

The proponent seem to be hiding behind the Part A of the E P & A Act,

E A Uses words that are very vague (not likely) (unlikely). they might as well be(could be) or (may be)

NO SCIENTIFIC STUDY has been undertaken on Marine Life .only vague words.

NO SCIENTIFIC STUDY on Marine water Qualiy only vague words.

NO Credable Moniting of noise from the farm the Proponent used RURAL STANDS when it is a RESANTAL VILLAGE.

NO study of orderes from the rotting dead Abalone.or marrine life in the Bay that may die.from changed water qualty.

We make our objections on the development on the above points .
