Re: Abalone Farm Project, Pindimar, NSW

Dear Mr. Ritchie.

Your name was given to me by one of my neighbours, so I hope I have reached the right person.

My purpose in writing to you is to object to the project based on the fact that the plans call for emptying waste into the port. No one else is allowed to empty waste into the port including other fish farms and the population at large. There is a reason for this – it will foul up the water.

The installation of pipes will also run over Crown Land and beaches, which is highly objectionable as well. Who actually allows this?

If you care to respond, please write to be at the above address.

Sincerely,

A handwritten signature in dark ink, appearing to read "J Foster", written in a cursive style.

Judy Foster
Resident, Bundabah
