Dear Ms Watson

RE: Heritage comments on Response to Submissions Report for Major Project MP 10_0076 MOPD 3 - Kirrawee Brick Pits.

I refer to your letter of the 21st of July 2014 requesting any comments the Heritage Division as Delegate of the NSW Heritage Council may have on the Response to Submissions report for the above project.

It is noted that the Heritage Council has provided approvals under the NSW Heritage Act and the Heritage Division have provided comment on this project in 2007, 2008, 2011 and 2014.

After consideration of the above report it is noted that Section 5.4 outlines that in relation to the archaeology of the pipe kilns *"the proposed modification does not differ when compared to the approved Concept Plan in relation to its response to the pipe kiln. Accordingly, there is no need to provide further documentation in relation to this issue with the proposed S75W modification. The preservation and incorporation of the pipe kiln will be addressed in detail during the preparation of the detailed development applications for the site"*.

Accordingly, as the proposed modification does not impact on the significant archaeology of the site, as Delegate of the Heritage Council, no further comment is provided on this modification at this time.

If you have any questions regarding the above advice, please feel free to contact Katrina Stankowski at Katrina.Stankowski@environment.nsw.gov.au.

Yours sincerely

Rochelle Johnston
