Re: Section 75W Modification Application – MP10_0155 – 2-32 Smith Street, Summer Hill

Dear Natasha,

We refer to the S75W modification and our discussions where the Department has requested that the plans be modified to be explicit to apply only to Stages 3 and 4 of the Concept Approval.

Consistent with your request please find revised plans prepared by Hassell Architects comprising:

- Building identification Plan dated 7 November 2014
- Summer Hill Concept Plan dated 7 November 2014
- Summer hill Building height plan dated 7 November 2014
- Summer Hill Active Ground level uses plan dated 7 November 2014

We trust that the attached plans have responded to your requirements and will allow the application assessment to be finalised.

Should you wish to discuss any aspect of this submission, please do not hesitate to contact me on (02) 9380 9911 or by email at sbarwick@sjb.com.au.

Yours sincerely,
