I have received two acknowledgements you received my emails...I would please like a response if possible after...and if my mail is read...It is important the Minister knows the thoughts of the people re: vital issues...we have deadlines as far as Barangaroo is concerned.. And we have only one chance to get it right...Buildings can stand for 100+++ years.

I know the Minister is extremely busy, but I appreciate and await his response. Thank you for your time in this very important matter.

Very sincerely,
Cecile Hunt
