Dear Mr Sargent

The Environment Protection Authority (EPA) refers to your letter dated 11 September 2015 seeking comments on a Response to Submissions (RtS) Report in relation to an application under *Section 75W* of the *Environmental Planning and Assessment Act* to modify Project Approval (MP06_162 Mod 8) – Barangaroo Concept Plan.

EPA has reviewed the RtS Report and acknowledges that the key issues raised in the letter dated 16 April 2015 have been noted by the proponent.

EPA also reiterates the advice previously provided; that the modification will pose no new or additional environmental impacts over and above those already approved for this project.

If you have any queries regarding these matters please contact Bob Marr on 9995 6825.

Yours sincerely
