Bob,

I confirm that Council's preferred option for Myall Way is Minimal Works option.

Kind regards

**ATTENTION:** Kumar,

Please find here attached a copy of the email train to Dean Hartmann & Wade Holmes from 2014. Note that I have also added in a parallel email that I sent to Wade to finalise the intersection treatments.

Can I please get a letter or email in return confirming that Council is agreeable to these arrangements.

If you have any queries please do not hesitate to contact our office.

Kind Regards,

Dean, Wade

Please find attached an option for the insertion of Riverside into Myall Street.

Whilst this option is far lower in articulation of Myall Street, it is the minimal works that would allow Riverside to connect.
