Chris,

Yesterday afternoon Tattersall Lander lodged through the planning portal a modification application for the Riverside at Tea Gardens project. We were advised late last night that this was premature as Michael Sheargold (Managing Director for the developer) had not yet finished reviewing the documentation, and as such we would like to request this information be withdrawn.

I apologise for the error, and intend to relodge the documentation soon.

If you have any queries please do not hesitate to contact our office.

Kind Regards,
Bob Lander
Director
