

Dear Fiona

Apologies for the delay in responding, and we acknowledge the submission deadline has passed.

We have noted that the proposed change in ownership arrangements for open space would only apply to a very small area of land within the former Marrickville local government area, and have noted the submission lodged by the former Ashfield Council.

We do not wish to comment - in any event, the former Ashfield and Marrickville councils are now part of the new Inner West Council.

Regards, Kendall.

Kendall Banfield | Team Leader Planning Services, Marrickville
Inner West Council
