Dear Mr Roberts,

**RE: Notification of Section 75W Modification Request
Edmondson Park South (MP10_0118 MOD 2)**

I write in response to your letter received by Council on 11 July 2016 seeking submissions on the modification of the Edmondson Park South Concept Plan Approval.

Council wishes to advise it makes no objection to the proposed changes. Council does note that the proposed additional destination billboard and entry billboard have the potential to cause visual distraction for users of Campbelltown Road due to their close proximity to previously approved signs. Council suggests that the modification be referred to the RMS for comment to ensure the signs do not adversely affect the safety of motorists and other road users.

If you would like to discuss any of these comments further do not hesitate to contact Charlotte Dare on 9821 7232.

Yours sincerely,

Jan Mccredie
