Dear Ms Gibson

**RE: REVIEW OF MINMI LINK ROAD DEVELOPMENT (CONCEPT APPROVAL) MODIFICATION 1  
ENVIRONMENTAL ASSESSMENT – SECTION 75W MODIFICATION TO MP10-0090 (MOD 1)**

I refer to your email dated 28 July 2016 requesting comment on the Minmi Link Road Development Modification No. 1 report (prepared for the applicant – Winten Property Group) for a modification under Section 75W of the *Environmental Assessment and Planning Act 1979* to the approved Major Project 10-0090. The Office of Environment and Heritage (OEH) understands that the modification proposal primarily relates to the timing of reports, information and other documents (e.g. plans) under the approval.

OEH has undertaken a review of the report titled 'Section 75W Application – Major Project 10\_0090 – Minmi Link Road Development – Modification 1' and notes that the proposed modification does not impact on matters that OEH would be concerned about, apart from the timing associated with the preparation Aboriginal Heritage Management Plan, to which OEH has no objection to the suggested amendment.

If you require any further information regarding this matter please contact Steve Lewer, Regional Biodiversity Conservation Officer, on 4927 3158.

Yours sincerely

28 JUL 2017
