Project Application No. 07-0055-1

## 1. Before you lodge

This form is required to apply for the approval of the Minister to carry out a Project to which Part 3A of the *Environmental Planning and Assessment Act, 1979* (the Act) applies.

Before lodging this application, it is recommended that you first consult with the Department of Planning (the Department) concerning your Project.

Please be aware that you may need to conduct a Planning Focus Meeting before lodging this application involving the Department, relevant agencies, Council or other groups identified by the Department. If you are required to conduct a Planning Focus Meeting, you will need to provide details and outcomes arising from the meeting.

To ensure that your application is accepted as being duly made, you must

- complete ALL parts of this form, and
- submit all relevant information required by this form.

**All applications must be lodged with the Director-General, by courier or mail.**

#### REAL PROPERTY DESCRIPTION

OR: detailed description of land attached: ☒

The real property description is found on a map of the land or on the title documents for the land. If you are unsure of the real property description, you should contact the Department of Lands.

Please ensure that you place a slash (/) to distinguish between the lot, section, DP and strata numbers. If the Major Project applies to more than one piece of land, please use a comma to distinguish between each real property description.

**Where the Major Project is subject to Clause 8F of the *Environmental Planning and Assessment Regulation 2000* and in lieu of completing the above, a description or detailed plan of the land affected must be included with the documents required with Part 4 below.**

### 4. Proposed Major Project – Description and other Requirements

Provide a brief title for your Project that includes all significant components. If the application relates to only part of a Project, include a clear title that describes the relevant part.

The proposed modifications to the Glendell Development Consent (DA80/952) include:

- undertake mining in accordance with a revised conceptual mine plan;
- increase the maximum rate of ROM coal production from 3.6Mtpa to 4.5Mtpa;
- utilise existing and approved Mt Owen Complex services and infrastructure including coal processing and product coal transportation, life of mine rejects and tailings management and water management and environmental management systems;
- rationalisation and relocation of site infrastructure and relocation of the mine access road;
- extension of the development consent period for 10 years to 2023; and
- construction of water management structures including a 200ML mine water transfer dam and reduction in approved diversion of Swamp Creek.

Is the application related only to a part of a Project? ☐ Yes ☒ No

**You are also required to provide a Project Description Report and address any matters required by the Director-General in accordance with 75E of the Act. Failure to do so may lead to your application being rejected.**

Is a Project Description attached:

Hard copy: ☒ Yes ☐ No

Electronic version: ☒ Yes ☐ No

(NB: An electronic copy is required as all applications must be provided on the Department's website. You should contact the Department on the correct electronic format).

Is the Project Description Report consistent with the requirements of any Guideline produced by the Department (including any draft)? ☒ Yes ☐ No

Does the Project Description Report include additional matters required by the Director-General, such as evidence of a Planning Focus Meeting and consultation? ☒ Yes ☐ No

#### CONCEPT APPROVAL

If you are applying for a **concept approval**, the Department's *Concept Approval Guideline* should be consulted and the matters identified therein must be addressed as part of your application.

Does the Project Description Report submitted address the relevant guidelines for Concept Approvals? ☐ Yes ☐ No

#### FULL TIME EQUIVALENT JOBS

Please indicate the number of jobs created by the proposed Major Project. This should be expressed as a proportion of full time jobs over a full year.

Construction jobs (full-time equivalent)
