To the Planning Committee

I wish to state my objection the proposed helipad in Bardens Bay, Morisset Park, and the subsequent helicopter movements over our homes, schools and workplaces.

I support the submissions put forward by MPDAG – these are my views entirely.

I also support the views of David Whyte (Ecology), Irene Bates (Acoutic) and Philip Ruffle (Lake Mac LEP 2004)

It is your responsibility to study into and act upon the detrimental effect the proposed helipad would have on this community of the lake area and even beyond

I have never made a donation to any political party in the last 2 years.

Thank you for your consideration

S. Clark.
