

DELETE personal information before publication:

Planning Services, Department of Planning & Environment
GPO Box 39 SYDNEY NSW 2001

Attention: Director- Modification Assessments

Application: Nords Wharf Concept Plan Modification
Application No: MP 10_0088 MOD 1

OBJECT to the proposal.

N.B. An ERROR in the location identification is continuing to be used:

Should read Part Lot 6 DP 746077 NOT DP 746007

REASONS FOR OBJECTION:

The communities took part in IHAP and PAC processes in good faith.

Personal communication on 4 May 2017 with CEO RIO TINTO (of which Coal & Allied is a subsidiary) confirmed conditions of Concept Plan approval Nords Wharf by the Planning and Assessment Commission are attached to the land and not subject to change just because landholder changes.

Nords Wharf Development Company P/L --- WHO is this?

If not a subsidiary of RIO TINTO then who and what financial credibility?

REDUCE PRICE PAY FOR LAND *NOT* REDUCE CONDITIONS OF CONSENT.

I declare that I have not made political donations.
