**SUBJECT: GEOTECHNICAL INVESTIGATION  
PUMULWUY PROJECT, REDFERN**

Dear Sir,

Further to our Report No.: 10/0811, further groundwater depths have been measured.  
The measured depths on August 25, 2010 are as follows:

Location	BH1	BH2	BH3	BH4	BH6	BH7	BH8	BH9	BH12
Depth (m)	10.43	8.68	5.23	3.44	6.58	5.32	3.82	5.19	2.10

We trust the above meet with your approval. Should you have any question please do not hesitate to contact us.

Your faithfully

Laurie Ihnativ,  
Manager, SMEC Testing Services Pty Limited
