Dear Ms Flanagan

**Re: Kings Forest Concept Approval MP06\_0318 Proposed Modification 7**

Thank you for your email dated 2 August 2017 about the proposed modification 7 to the Kings Forest Concept Approval seeking comments from the Office of Environment and Heritage (OEH). I appreciate the opportunity to provide input.

The OEH has statutory responsibilities relating to biodiversity (including threatened species, populations, ecological communities, or their habitats), Aboriginal and historic heritage, National Parks and Wildlife Service estate, flooding and estuary management.

We have reviewed the modification application prepared by Planit Consulting dated 9 March 2017 and advise that the OEH does not have any issues with the proposed modification.

If you have any further questions about this matter, Mr Don Owner, Regional Operations Officer, Regional Operations, OEH, can be contacted on 6659 8233 or at [don.owner@environment.nsw.gov.au](mailto:don.owner@environment.nsw.gov.au).

Yours sincerely
