To Whom It May Concern

The sites on Caroline Street (Lots A, B and D in DP 33204) are not included within the concept application for the Pemulwuy Project. The details of this are explained within the Environmental Assessment at page 22 and seen diagrammatically on figure 7 at page 22 and figure 8 at page 24. Further clarification is found within Appendix 15 'owners consent' within letter dated 08 09 08

In addition we have placed explanatory labels on all the relevant plans to clarify that the Department Of Housing land is not included within this Concept Application.
