Dear Ms Fu

**DA MP06-0016 MOD1 – MACQUARIE UNIVERISTY CONCEPT PLAN**

I am writing to you in reply to your invitation to the NSW Environment Protection Authority (EPA) to provide a submission in respect of the application to modify the consent for the Concept Plan for future development at Macquarie University.

The EPA understands that the modification application is not intended to weaken or otherwise modify environment protection measures required by the existing consent conditions and has no specific comments on the application.

The EPA will raise any environment protection concerns in response to specific development proposals as required.

Should you require clarification of any of the above please contact John Goodwin on 9995 6838.

Yours sincerely
