Dear Ms Flanagan

**Re: Cobaki Residential Community Concept Plan Approval MP 06\_0316 MOD 10 – Notification**

Thank you for your email of 27 March 2018 seeking comments from the Office of Environment and Heritage (OEH) on the above modification application. I appreciate the opportunity to provide input.

I understand that the application seeks to modify the approval to permit the keeping of cats at residential premises on the site. The information provided to support the proposed modification appears to be largely the same as that provided for proposed modification 4 regarding the same issue.

The OEH has provided our comments on this issue several times, most recently on 1 December 2016. Our position on this matter has not changed. The OEH does not support modifying the current condition, which restricts the keeping of cats within residential premises.

If you have any further questions about this issue, Mr Krister Waern, Senior Operations Officer, Regional Operations, OEH, can be contacted on 6640 2503 or at [krister.waern@environment.nsw.gov.au](mailto:krister.waern@environment.nsw.gov.au).

Yours sincerely
