**Subject:** Objection -MP 07\_0166 MOD 8 - Wahroonga Estate Concept Plan

Dear Tim,

Are you able to advise how I can put a submission opposing the development of the 200 Units in the MP 07\_0166 MOD 8 - Wahroonga Estate Concept Plan. I would like to submit a formal objection/submission.

**Some Concerns**

I am a parent who has a child attending the Wahroonga Adventist School, there are a group of parents who are gravely concerned about the units development as some buildings are only 6 metres from the boundary of the school fence and also over look the playing field. These students will have absolutely no privacy.

These apartment blocks will block the schools view of Coups Creek, bushland and their playing. The units are zoned to have a height of 20.5 metres and the school buildings are only 14.5 metre

How will the 800 students from Prep to Yr 12 access the playing field????????? They will have to walk on a road, primary school aged children will have to be constantly supervised as they attempt to access their playing field.

What will happen in the future if the Body Corporate deny access through their land and construct a fence? How will the 800 students access their playing field.

Many thanks for your assistance.

Kind regards,
