Dear Mr Herbert,

Re: The Wahroonga Estate Development

Objection to Development proposals MP 07 0166 MOD 6, 7 & 8

I am writing to communicate my strong disapproval of the Wahroonga Estate Development. Reasons for this development not to go ahead are now well documented. Content of a letter of objections sent to you by the Wahroonga Church Elders documents clearly why this development should be stopped. I am in complete agreement with the objections made in that letter.

Yours faithfully

Ann Mirapuri
