**Proposed modifications to Nord Wharf Concept Plan (MP10\_0088 MOD1)  
Response to Submissions**

Dear Ms. Butcher

Thank you for your recent correspondence requesting Transport for NSW (TfNSW) comment on the Applicant's Response to Submissions (RtS) for the subject modification application.

TfNSW has reviewed the RtS provided with the application.

It is understood that the application no longer proposes left-in/left-out the Pacific Highway/Awabakal Drive intersection, which currently operates as a T-junction with all available movements. As such, this would resolve the bus accessibility issues raised in the initial TfNSW submission, subject to Roads and Maritime Services (RMS) acceptance of the revised capacity analysis of the aforementioned intersection.

Thank you again for requesting TfNSW comment on this matter. If you have any further questions, please do not hesitate to contact Ken Ho, Transport Planner, via email at [ken.ho@transport.nsw.gov.au](mailto:ken.ho@transport.nsw.gov.au). I hope this has been of assistance.

Yours sincerely

15/10/2018
