**Attention:** Emma Butcher

Dear Sir/Madam,

### Response to Submission - Nords Wharf Concept Plan

Reference is made to the correspondence dated 8 October 2018 seeking comments on the proponent's response to submissions in relation to the above State Significant Development in accordance with the *Environmental Planning and Assessment Act 1979*.

The New South Wales Rural Fire Service (NSW RFS) has considered that insufficient information has been provided from which to undertake a full assessment of the referral. The previously requested information, as detailed in the correspondence dated 23 October 2018, was not received within the legislative timeframe allowed to assess the application against the aims and objectives of *Planning for Bush Fire Protection 2006* or any subsequent version.

If you have any queries regarding this advice, please contact Emma Jensen, Development Assessment and Planning Officer, on 1300 NSW RFS.

Yours sincerely,

Kalpana Varghese  
Team Leader, Development Assessment and Planning  
Planning and Environment Services (East)
