Hi Michelle,

The NSW RFS has reviewed the RtS and advises that the comments outlined in our previous response dated 11 July 2018 remain applicable.

In acknowledgement that the final number of lots and lot layout will be determined during subsequent stages of development within the site, the NSW RFS does not provide an in-principle support for the concept plans submitted with the proposal.

Kind regards,

Hi Bradley,

I was wondering whether RFS would be providing comment on the Tallawarra RtS?
