Modification Request for Mixed-Use Development at Trinity Point Drive Morisset Park

MP06 0309 MOD 3

I strongly object to the proposal for a helipad. I see no need for it as Morisset Park is easily accessible both by road and water. The noise level will be unpleasant to both the existing residents and those who propose to buy property at Trinity point. The impact on the environment will be disastrous.

I have never made any political donations

Yours sincerely,

Sally Kite
