Attention Director
Modification Assessments.

Dear Sir or Madam,

I am writing in reference to the request for a
Helipad & mixed-use development at Trinity
Point, Morisset Park. No: MP-06-0309 MOD3.

I do not want to have them put this useless
noisy helicopter landing base in our beautiful
area. Sure we need to progress, but this is not for
residents of Lake Macquarie only for users of the
the Trinity Point location.

We have enough noise now with the planes and
helicopters in use for our safety & health. Besides
the damage it will do to the lake has not been
spoken about. So my request is no to further
building & Helipads and anything else the
Johnson Group wishes to do to destroy our area.

Signed
E Lorenz.
