Dear Mr Witherdin,

I refer to your correspondence dated 13 August 2019 to the Biodiversity and Conservation Division of the Department of Planning, Industry and Environment, inviting comments on the Trinity Point Helipad Amended MOD3 Application (MP06_0309 MOD3).

We have reviewed the Amended MOD3 Application, including relevant appendices, annexures, attachments and parts of the documents titled '*Further Preferred Project Report- Proposed Trinity Point Helipad*' (prepared by ADW Johnson and dated May 2019), in relation to biodiversity impacts. BCD is satisfied with the biodiversity assessment provided and no further assessment is required.

Yours sincerely
