Subject: HPE CM: RE: HPE CM: Notice of Modification - Request for Input - MP09 0082 MOD 6 Calderwood Concept Plan
Date: Friday, 3 December 2021 5:41:11 PM

Hi Tahlia,

Thank you for the opportunity to comment on the proposed modification to the Calderwood Concept Approval (MOD 6) to effectively extend the length of time for Lendlease to revise/amend their VPA with the State Government.

I would like to advise that Council raises no objection to the proposed modification. The timing of the requirement to revise/amend the VPA between Lendlease and the State will now closer align with when the VPA between Lendlease and Shellharbour City Council will also need to be revised/amended,. This may assist with ensuring consistencies and compatibilities between the two VPA's.

I hope you have a good weekend.

Regards
